5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ student's representation on various bodies as per established processes and norms)

The Institute encourages student representation on academic and administrative organizations. Members of an active student council supervise academic, cultural, sporting, and literary events, anti-ragging and gender sensitization campaigns, and NSS and NCC activities. Members of the College Student Council, as well as committee members, play an active role in the organisation of the college's Annual Social Gathering, Subject Societies, and national festivals. Section 99 of the Maharashtra Public University Act-2016 establishes the college student council.

The constitution of the student council is as under

- President
- Secretary
- Lady Representative
- Representative belonging to SC/ST
- Student from each class as Class Representative

The individuals listed above have been elected to the College Student Council. The Principal nominates one student from each of the activities, including NSS, NCC, sports, and cultural activities. The Principal's involvement is critical in the development and functioning of a Student Council. The student council is coordinated by one senior teacher. A permanent invitee on this committee is the Director of Sports, NSS Programme Officer, and NCC Officer. The University Act gives the President and Secretary of the College Student Council seats on the College Development Committee and IQAC.

The College Student Council is particularly significant in Departmental activities such as organizing seminars, conferences, and workshops, as well as other key co-curricular events.

Students participate in festivities such as Independence Day, Teacher's Day, Republic Day, and other activities. Student representatives are active members of the sports committee, cultural committee, magazine committee, and so on. Through many groups and societies, the institution provides several opportunities for technical skill development, knowledge upgrading, personality development, and contribution to society. A staff adviser is available to assist students in the seamless and successful operation of the clubs and societies.

College sports are also major events, and the student council is responsible for coordinating the many sports activities and events, as well as assisting the professors in making the event a success. It is also responsible for recommending volunteers from the student community for this reason. As a result, the student council promotes constructive engagement between students and professors regarding the college's academic, co-curricular, and extra-curricular activities.

For newly admitted students, the college offers the Student Induction Programme (SIP). Senior students, i.e., students in their second and third years, are designated as stream leaders and lead students for various batches of the induction programme in order to oversee the appropriate groups of students.

Following academic and administrative bodies/committees are functioning in the institution where student representation is considered:

- College Student Council
- College Development Committee
- IQAC
- Internal Complaint Committee
- Anti- Ragging Committee
- Committees of Annual Social Gathering
- NSS
- NCC
- Subject Societies
- Magazine Committee

All above mentioned committees are headed by Principal / HOD / Faculty members.

Number of Students Participated	150
Number of Teachers Participated	25
Organized By	B.B.Arts, N.B.Commerce & B.P.Science College, Digras.

As per the guidelines of UGC & Sant Gadge Baba Amravati University, Amravati our college organized two days Student Induction Program of First year students on dated 22/08/2022 to 23/08/2022. Admitted students from first year of All faculty were introduced and guided by the present faculty members with reference to the working of various academic departments in the college engaged in student's participation, progression and extension.

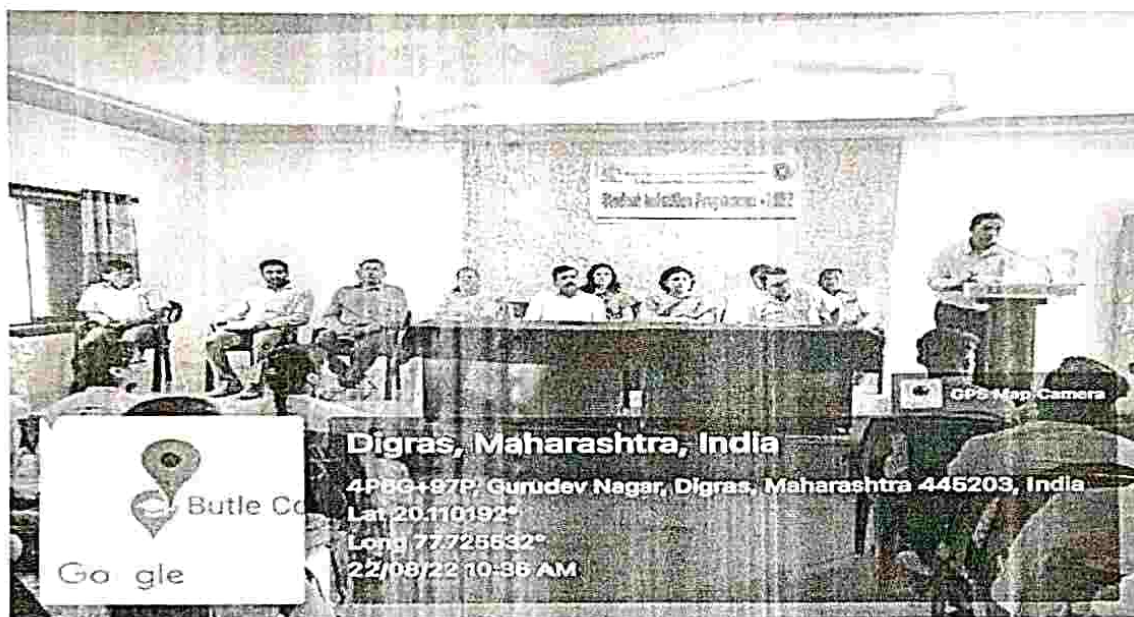

Under the pretext of 'welcoming' new students to the college, ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets. The students of BNB College are hereby warned that they shall not indulge in "RAGGING". If they are found guilty of ragging they are liable for the above mentioned punishment.

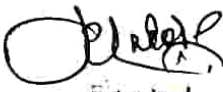

The freshers / junior students are also hereby instructed that they should not respond to the calls from seniors, should not participate in any kind of party anywhere inside/outside the campus, even if ordered by the seniors and that, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

BNB college campus is ragging free, still all these measures have been taken to ensure that the freshers are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors. All of this was possible only because of the whole-hearted support from students and teachers.

The activity was a great success. It successfully achieved its objective of helping new students to adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them to build the bonds with other students and faculty members, and express them to a sense of larger purpose and self exploration. The event was guided by our Principal Prof. V.L. Khalatkar.
