AQAR

2023-2024

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes.

Bapuraoji Butle Arts, Narayanrao Bhat Commerce, and Bapusaheb Patil Science College Digras District-Yavatmal Maharashtra work to develop the full exceptional person via their innovative, all-encompassing, and adaptable educational approach.

The Institute's Internal Quality Assurance Cell (IQAC) carries out tasks related to every aspect of the organization. The IQAC was established on September 4, 2004, at Bapuraoji Butle Arts, Bapusaheb Patil Science College, Digras District Yavatmal, and Narayanrao Bhat Commerce. Ever since then, it has been performing the following tasks regularly:

1. Increasing the standard of instruction and research by having students provide regular input to all stakeholders.
2. Making a contribution to best practices in administration to optimize resource use and enhance services for staff and students.
3. Participating in administrative and academic audits, as well as evaluating results to pinpoint areas that require improvement ever since.

The Bapuraoji Butle Arts, Narayanrao Bhat Commerce, and Bapusaheb Patil Science College Digras Computer Center Suggestion Boxes are available for students and faculty to use for feedback and suggestions on teaching and administrative performance. Alternatively, email the Coordinator, IQAC at rmkadam.judo@gmail.com.

The IQAC has immensely contributed in the implementation of quality assurance strategies and processes at all levels.

The Institute IQAC regularly meets.

The Institute IQAC prepares, evaluates and recommends the following for approval by the relevant

Institute and Govt. statutory authorities:

- (a) Annual Quality Assurance Report (AQAR)
- (b) Performance Based Appraisal System (PBAS) for Career Advancement Scheme (CAS)
- (c) Stakeholder's feedback
- (d) Process Performance & Conformity
- (e) Action Taken Reports
- (f) New Programmes as per National Missions and Govt. Policies.

Analyzing the Implications of NEP 2020 on Educational Paradigms : A Comprehensive Research

Dr. Nitin Uttamrao Bari
S.V.P.Arts and Science College, Aimpur
Member, NEP, Workload Committee (M.S.)

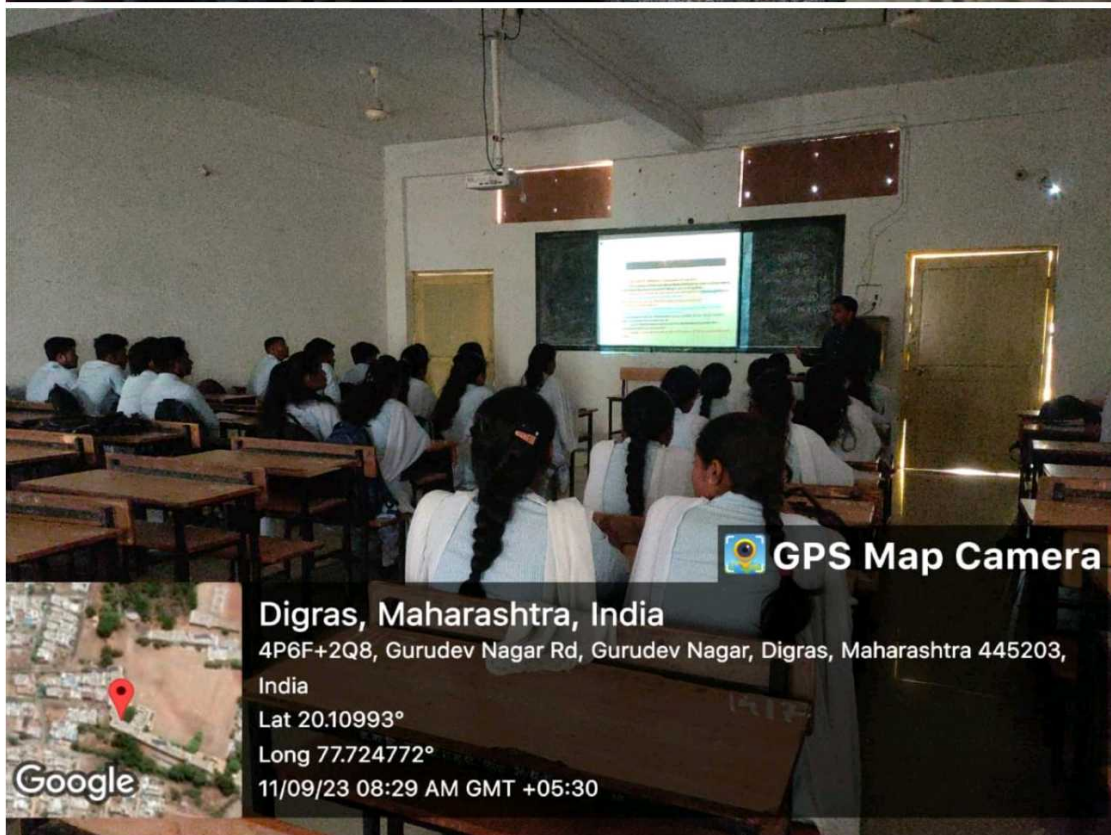

Introduction

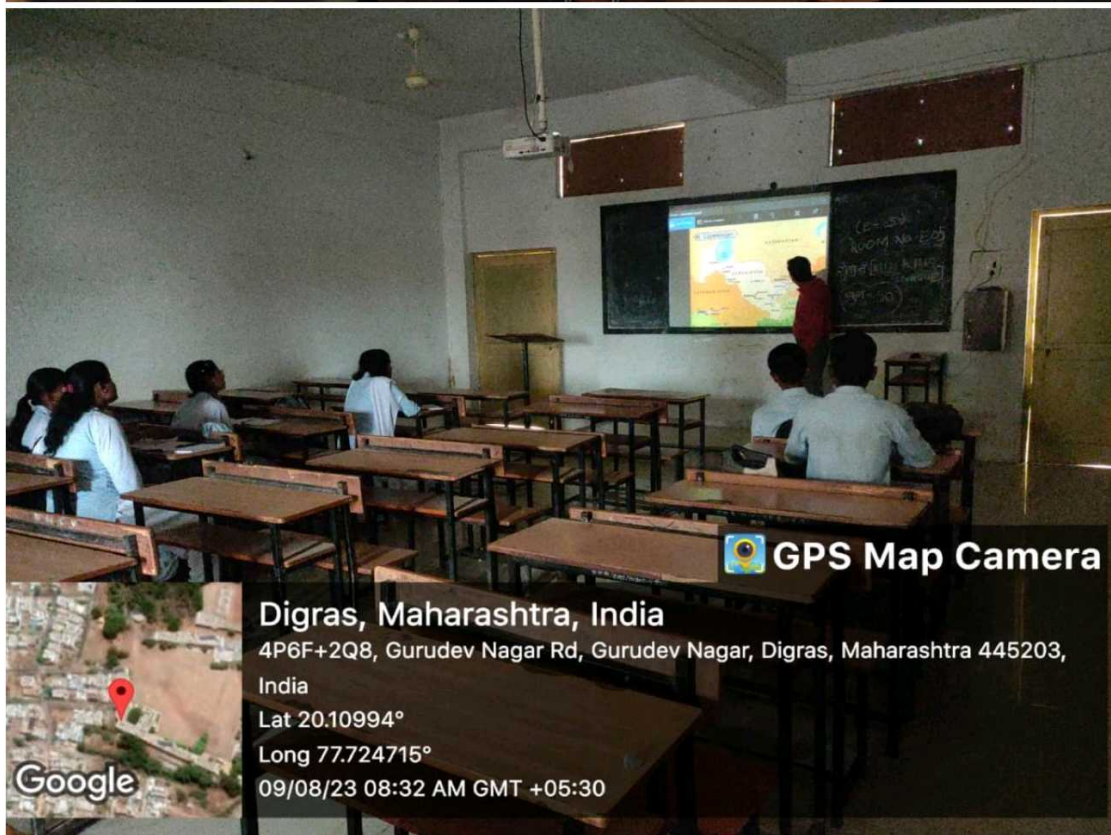

The research study seeks to delve into the transformative potential of the National Education Policy (NEP) 2020 in reshaping the educational landscape. This policy, unveiled by the government, represents a significant departure from the traditional approach to education in India. With its comprehensive vision, NEP 2020 aims to address various dimensions of the education system, encompassing curriculum design, pedagogical methods, assessment frameworks, and the integration of technology.

The unfolding implications of NEP 2020 on educational paradigms are of paramount importance for researchers, educators, policymakers, and stakeholders alike. As the educational sector grapples with evolving societal needs, global advancements, and the demands of a dynamic workforce, this research endeavors to critically examine the multifaceted impacts of NEP 2020. The analysis will extend beyond the surface-level changes, probing into the potential challenges and opportunities arising from the policy's implementation. By scrutinizing the intersections of NEP 2020 with established educational paradigms, this research aims to contribute nuanced insights into the ongoing discourse surrounding education reform. As we embark on this exploration, the research paper seeks to illuminate key aspects of NEP 2020's influence, fostering a deeper understanding of its implications on the shaping of educational models and frameworks. The research also included a comparative analysis of the curriculum changes brought about by NEP 2020, utilizing document analysis to examine official policy documents, educational materials, and relevant publications. This mixed-methods approach aims to provide a comprehensive understanding of the multifaceted implications of NEP 2020 on educational paradigms, combining quantitative data for broad insights and qualitative narratives for depth of understanding. Further following detail objectives described the purpose of the study.

Objectives of the Study

1. To assess the extent of alignment between NEP 2020 and existing educational paradigms in India.
2. To identify and analyze the specific changes introduced by NEP 2020 in curriculum design and pedagogical approaches.
3. To investigate the challenges encountered during the implementation of NEP 2020 and their impact on educational practices.
4. To examine the opportunities created by NEP 2020 for innovation and improvement in the education sector.
5. To provide recommendations based on the findings for optimizing the integration of NEP 2020 within established educational frameworks.
