About the Conference

Women in India are not a homogenous category and their education journey is shaped by socio-religious context. The socio-cultural milieu of Indian society exerts influences on all aspects of a woman's life. Against all odds, women in India achieve a high echelon on the educational front. Women from all sections of society have entered the realm of higher education with full gusto. At all the national-level, there has been an upsurge near about 20% in female enrolment in higher education from 2015 to 2022. Hence by organizing this conference on the occasion of International women's day we just want to appreciate the contribution of women in higher education and nation building.

Graphical Analysis of Teacher's Feedback 2022-23

Suggestions :

- Syllabus of B.Sc.I Sem II (CBCS) is very vast. Some of the points should be omitted.
- I think syllabus is need based but some improvement is necessary.
- The writers and poets from the World literature should get place in the syllabus of compulsory English, so that the students will become familiar with the great literary figures.
- Outdated topics should be removed from syllabus.
- Text book of prescribed syllabus should be easily available to students and teachers.
