7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

Raising awareness among students and staff of the institution of their constitutional responsibilities, rights, and duties as citizens. In the Digras District of Yavatmal Maharashtra, at Bapuraoji Butle Arts, Narayanrao Bhat Commerce, and Bapusaheb Patil Science College, we are committed to giving students a thorough, all-encompassing education. The institute also uses a variety of methods to teach students about their rights, values, duties, and responsibilities under the constitution. This is one of the main educational programs it offers. Students and staff are taught about the institution's constitutional obligations through the curriculum and extracurricular activities.

The topics covered in many of the fields teach students about their constitutional obligations. The university has instituted a mandatory paper on the Discovery of India and the Constitution of India at the degree level across all Arts, Science, and Commerce disciplines in an effort to raise awareness and sensitize workers and students to their constitutional obligations. Is an element of the process of advancing democratic values?

Further more, during their first year; all students are required to attend an environmental studies course that equips them with information of global environmental issues, wildlife protection acts, forest acts, and environmental acts. Furthermore, the Department of Political Science and Environment Science at the institute's college hosts several ongoing

initiatives aimed at enlightening women about their rights. Lectures and workshops on various rights, responsibilities, and duties of citizens are held on national holidays. Seminars on topics including sexual harassment, gender equity, and the right to information are held on a regular basis.

The Indian Constitution is taught as a necessary paper to all branches of the Bapuraoji Butle Arts, Narayanrao Bhat Commerce, and Bapusaheb Patil Science College Digras District Yavatmal. This serves to inform the students about their constitutional responsibilities.

Republic Day is observed annually on January 26, 2024, and is marked by events that emphasize the significance of the Indian Constitution. Every year, Independence Day is also observed to honour the Indian Constitution and the freedom struggle.

1. Syllabus is framed on Constitution of India by the Sant Gadge Baba Amravati University for BA I students.

2. Syllabus is framed on Discovery of India by Sant Gadge Baba Amravati University to all first year faculties.

3. Republic Day Events Republic Day was observed on January 26, 2024, at Bapuraoji Butle Arts, Narayanrao Bhat Commerce, and Bapusaheb Patil Science College in the Digras District of Yavatmal, Maharashtra.
