AQAR 2021-2022

3.2 Innovation Ecosystem

3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge.

The objective of the ecosystem for innovations is to:

The college has limited physical infrastructure and support system necessary for incubation activities. Priority should be given to create physical infrastructure and support system necessary for incubation activities. Provide services like training for research, Hi-speed internet connection. Collaborate with standard research centers, professional resources which include experts, Consultants and advisors for development of incubation center. Regular involvement of higher education expert.

Functions of the Committee.

To develop innovation ecosystem the college takes initiatives in the following activities.

1. College has Research Advisory committee and research committee.
 2. The main objective of the committee is to inculcate research culture among the students and teachers.
 3. The outcome of the improvement in innovation ecosystem is that most of the faculty members awarded Ph.D. Degree, completed research project.
 4. The college has research center for Ph.D. Degree, faculty members are recognized as Ph.D. Guides.
 5. One student awarded Ph.D. Degree. Most of the faculty members published research papers.
 6. The college organizes following Workshops in the year 2021-2022
- A) Online Workshop on 'Intellectual Property Rights: Copyrights and Plagiarism.' Organised by IQAC and Department of History.
- B) One Day Workshop on 'Use and Utility of OPAC and M-OPAC' Organized by Department of Library and Science.
- c) Sant Gadge Baba Amravati University Marathi Pradyapak Parishad organized by Department of Marathi and Marathi Sahityopasak Mandal.
