

## **Institutional Distinctiveness**

**2021-2022**

The B.B. Arts, N.B. Commerce, and B.P. Science College at Digras Vibhagiya Shikshan Prasarak Mandal was founded in June 1963. In essence, it meets the needs of pupils who come from rural areas, are members of socially and economically disadvantaged strata, and lack formal education or competent parental direction. It gives me great satisfaction to say that in 2014, our college commemorated its "Golden Jubilee" of service.

The college has received 'B' Grade accreditation from NAAC (CGPA2.50). The Faculty of Arts and Commerce first opened its doors in 1963. Later, in 1992, a scientific faculty was established. Our college also offers junior colleges in the arts, commerce, science, and HSVC programmes. Sant Gadge Baba Amravati University in Amravati is affiliated with it.

On 2 August 1965 and 26 August 1972, respectively, the UGC acknowledged our college under Sections 2(F) and 12(B) of the UGC Act 1956. The institution has planned conferences and seminars at both the national and state levels. Our college's teaching staff is exceptionally skilled, knowledgeable, and devoted. Additionally, technical and non-teaching staff members are skilled and committed. Three UG, two PG, and three Ph.D. programmes are offered by our college.

The placement cell and competitive exams guidance center are run by the college. The college is home to Yashwantrao Chavhan Maharashtra Open University Nasik's officially recognized center. In partnership with other organizations, the college NSS and NCC groups coordinate a variety of extension programmes. Competitive Exam Guidance Center is available. The many college departments participate in a number of initiatives of national significance, including as the Swachha Bharat

Every year, many departments arrange skill-focused events, personality development programmes, and gender equity programmes.
